Hotel Terme Mioni Pezzato

Staying at the Hotel Mioni Pezzato & SPA means "living the history" of Abano Terme, a hot springs spa among the oldest in Europe. Ever since Giovanni Mioni, in 1906, modernized the therapeutic use of hot spring water and mud baths, the Mioni Pezzato hotel is synonymous of tradition and prestige in the panorama of a health resort. Jewel of the Hotel Mioni Pezzato, the new sections of the Tea Rose center, where treatments based on traditional mud bath therapy, covered by national health services, are combined with a surprising universe of wellness treatments. The five hot spring pools, with varied temperatures (around 1,000 square meters of water surface), can satisfy every need: fun, sports, relaxation, post-traumatic rehabilitation. The elegant features of the rooms, the well-known tradition cuisine, and the expanse of the private park, are the ideal setting for a strikingly enjoyable and regenerating holiday.

This smoke-free hotel features 2 indoor pools, 4 outdoor pools, and a full-service spa. Free buffet breakfast, free WiFi in public areas, and free self-parking are also provided. Other amenities include a restaurant, a health club, and a bar/lounge. All 170 rooms feature thoughtful touches like pillow menus and slippers, plus minibars and TVs with digital channels. Other amenities available to guests include room service, hair dryers, and safes.
